Learning Behaviours: A Guide for Parents and Carers

Learning behaviours empower pupils to think about how they can help themselves to learn better and solve problems. They are a vital ingredient for every child's education and preparation for adult life.

We have created a visual aid for pupils to remember our learning behaviours. Praise and rewards will be linked to children displaying these behaviours. We hope you will support the use of these learning behaviours at home and in the wider community as well as in school. They are:

pride - resilience - organisation - curiosity - initiative and independence - team work

I am proud to be a pupil at Oakfield.
I take pride in the presentation of my work.
I am proud of my achievements and those of others.
I am a fantastic role model in and out of school.

I am not afraid to make mistakes.
I try my hardest.
I use my growth mindset.
I never give up.
I can bounce back from adversity.

I remember the things I need for my school day every day.
I read five times a week at home.
I am always ready to learn.
I take responsibility for myself and my learning.

I am eager to find out more about the world around me.

I ask questions and wonder.

I am fully engaged in all my learning.

I listen to the ideas and opinions of others.

I approach problems confidently and positively.

I can choose and use the resources I need.

I take responsibility for my own learning.

I take responsibility for my behaviour.

I am motivated.

I listen to and take on board the ideas and opinions of others.

I enjoy and can work successfully in a pair, group or as a whole class.

I like to see everyone succeed.

I am gracious in defeat.

I communicate effectively, including displaying positive body language.

Please do not hesitate to contact Mrs Redfearn, Assistant Head or your child's class teacher if there is any aspect of the learning behaviours you wish to discuss.
