Labels – We are now enjoying some particularly warm weather at the beginning of our Autumn Term – could children please come to school with clothes labelled as we experienced a high number of lost property items last term and we do realise that these will have been costly for families. Please also ensure that children come to school with a water bottle on a daily basis.

Communication – Much of our school communication is accessed through our Dojo app. This is a really useful method of passing messages and keeping you informed of what is happening in school.

Please can you make sure that you are all signed up – any problems, please contact the school office who will help you. You can also follow us on twitter @OakfieldPR

Breakfast Club – Due to the rising costs of groceries and staffing, we have taken the difficult decision to increase the cost of our Breakfast Club to £2.00 per day. We can assure you that this increase has been given much thought and consideration. Over the last 6 years, we have heavily subsidised the provision, but unfortunately it is not possible to continue at this level.

We have researched other provisions in the locality and with the increase, we still believe that Oakfield are providing the cheapest provision of a breakfast and before school childcare.

The increase will take effect from Monday 11th September. Please note that we encourage all payments and bookings on ParentPay which must be made at least one week in advance.

Thank you.
