### Wraparound Launch 23.04.25

We're really excited that our wraparound provision will commence on Wednesday 23rd April. This is designed to fully support our families and will stay open until 5.30pm.

The cost of this provision will be £10 per child/per session, sessions must be booked by the Thursday of the previous week required on ParentPay (this will be open for bookings on Monday 7th April) this is to ensure adequate staffing is in place.

This provision is offered to Reception - Year 6. You will have received an email with all the details.

### Summer Term

We are hoping for fine weather, please label all clothing. Ensure PE kits are in school from Monday to Friday as PE lessons may change to take account for good weather.

### Water Bottles

Please can children make sure they bring a water bottle to school each day. The school has recently been accredited with the Bronze Eco Award and we are working hard on making the school environmentally friendly and sustainable as possible. With this in mind it would be great if children could support this by using water bottles rather than single use plastic bottles.

## Nursery

Is your child due to turn 3? We have 15 and 30 hour places available in our school nursery. Please enquire about a space in September.
