

This half term we will be focusing on settling into Reception and will be getting to know one another.

We will be getting to know more about ourselves, our families, our school, our bodies and our local area.

We will be reading lots of new books to extend our vocabulary and learn lots of new words.

We will also begin our phonics lessons. This is always so exciting, as we learn the phonemes needed to read and write!

Autumn 1: Getting to Know You

Wow Moments

Starting School
Walk to the Library
