

As Historians we will:

Learn about history within and beyond living memory.

Discover what makes an event significant focusing on The Great Fire of London and the impacts it had on cities and the fire brigade and the sinking of the Titanic.

Observe why people wear poppies on Remembrance Day.

As Musicians we will:

Use our voices expressively and creatively by singing songs and speaking chants and rhymes.

Play tuned and untuned instruments musically.

Listen to a range of high-quality live and recorded music.

Experiment with, create, select and combine sounds using the inter-related dimensions of music.

As Scientists we will:

Identify and compare the suitability of a variety of everyday materials, including: wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses

Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

As Designers and Artists we will:

Explore different artistic methods.

Use drawing, painting and sculpture to develop and share ideas, experiences and imagination.

Learn how to create different tones when using pencils.

Collect information and research notable artists, their work and ideas and allow this to inform our own artwork.

**Autumn
Term
Year 2 -
Great and
Ghastly**

In Religion and Worldviews we will:

Recognise a link between a story and a belief/concept.

Be curious and ask questions about the world around.

Describe ways in which people express/practice their beliefs as a community.

Make connections between family life and living out religious beliefs.

In PE we will:

Develop our confidence and independence

Explore and develop agility, balance, coordination, speed and stamina.

Improve our running, jumping, hopping and skipping skills.

Work in a team, show respect, kindness and begin to understand what makes a good leader.

In Computing we will:

Look at information technology at school and beyond.

Investigate how information technology improves our world.

Learn how to use information technology responsibly.

Gain experience capturing, editing, and improving photos on different devices.

As respectful members of the community we will:

Explore British values and celebrate key events within school.

Understand similarities and differences between myself and others

Be proud of our achievements and consider ways we can continue to learn and grow
